RELEASE FOR USE OF STUDENT WORK SAMPLES

From time to time, faculty members of FST collect samples of student writing or projects that demonstrate the learning outcomes of a course and/or degree program.

You are asked to sign this release form to indicate your permission to have some portion of your work copied for the purpose of developing a course portfolio that is an integral part of the FST assessment process, or to be used as a model in a future class. **Your name will not appear on this copy.**
