

The Scholarship of Teaching and Learning at USD

Presented by:

Dr. Miriam Rothman – Facilitator (Management)
Dr. Monica Stufft (Theatre);
Dr. Tara Ceranic (Business Ethics);
Dr. Lisa Nunn (Sociology);
Dr. Kristine Ehrich (Marketing)

**Thursday, October 24th, 2013
12:15 to 2:15 p.m. in MRH (SOLES 201)**

The scholarship of teaching and learning involves the systematic study of teaching and/or learning and the public sharing and review of such work through presentations or publications. This scholarship helps to inform our practice and the path of higher education within and across disciplines.

Come hear from faculty at USD being highlighted this year for their scholarship in teaching and learning. Faculty from a diversity of fields will discuss with you the projects that they have worked on and how they got started in this very important area of scholarship.

Lunch will be provided so please RSVP by Tuesday, October 22
Online at www.sandiego.edu/cee
Thank you!
