Leadership and Education Sciences*

**Tuesday, February 11th, from 12:15-2:15pm in Maher Hall 205**

Social class is one of the most deeply felt, and yet unnamed differences on our campus and in our country. Some students call it the "elephant in the room" at USD. This interactive training session addresses the theme of diversity and inclusion with respect to social class. We will discuss critical and intellectually generous approaches to class in higher education, and you will come away with skills and ideas about how to facilitate productive discussions about class difference with students.

Lunch will be provided.

You may register one of three ways: either by (1) contacting Johnny Bobé II at (619) 260-7402; (2) by emailing [cee@sandiego.edu](mailto:cee@sandiego.edu); or (3) online at [www.sandiego.edu/cee](http://www.sandiego.edu/cee)  
Thank you!
