Personal Development

Please discuss the following points:

- The personal and interpersonal strengths, professional knowledge, and skills you bring to your fieldwork site.
- The evidence of your effectiveness in working with clients
- Your awareness of areas for your future growth as a counselor
- Your sense of yourself as a reflective practitioner.

Course Work Reflection

COUN 503: Professional Orientation in Counseling

- Review your Self-Assessment: Personal & Professional Development Paper and analyze how you have professionally grown or developed as a counselor through your coursework, experiences, and training.

COUN 520: Theoretical Orientation

- What is your theoretical orientation and explain its application to diverse populations and use in your counseling specialization.

COUN 525: Working with Groups

- Evaluate your ability to lead/facilitate group counseling. Summarize your development and personal strengths and weaknesses in facilitating groups.

COUN 515: Multicultural Competence

- Review your Cultural Audit, International Experiences, Practicum/Fieldwork experiences and analyze your multicultural competence development of personal knowledge, awareness, and skills as a counselor working with diverse populations.

Goal Setting for Field Work

What are your professional goals for your field experience?

What areas of your counseling skill are you going to work on improving during your field experience?

What is your plan for improving these skills?

Field Work Readiness

- Approved for Fieldwork.*
- Not Approved for Fieldwork – Plan to obtain approval has been made and attached.*
